Once the plan deductible is met, the plan pays 100% of covered services for the rest of the calendar year. High deductible plan G is only available on or after January 1, 2020 and does not cover the Medicare Part B deductible. However, high deductible plans F and G count your payment of the Medicare Part B deductible toward meeting the plan deductible.

[2] Plans K and L pay 100% of covered services for the rest of the calendar year once you meet the out-of-pocket yearly limit.

[3] Plan N pays 100% of the Part B coinsurance, except for a co-payment of up to $20 for some office visits and up to a $50 co-payment for emergency room visits that do not result in an inpatient admission.
