This chart shows the benefits included in each of the standard Medicare supplement plans. Every company must make available Plans “A” & “B” and either “D” or “G”. Only applicants first eligible for Medicare before January 1, 2020 may purchase Plans C, F, and high deductible F+. Some plans may not be available in your state. The Plans we sell are A, B, C, D, F, F+, G, G+, and N, these plans are notated below with an asterisk.

<sup>1</sup> Plans F and G also have a high deductible option which require first paying a plan deductible of \$2,870 before the plan begins to pay. Once the plan deductible is met, the plan pays 100% of covered services for the rest of the calendar year. High deductible plan G is only available on or after January 1, 2020 and does not cover the Medicare Part B deductible. However, high deductible plans F and G count your payment of the Medicare Part B deductible toward meeting the plan deductible.

<sup>2</sup> Plans K and L pay 100% of covered services for the rest of the calendar year once you meet the out-of-pocket yearly limit.

<sup>3</sup> Plan N pays 100% of the Part B coinsurance, except for a co-payment of up to \$20 for some office visits and up to a \$50 co-payment for emergency room visits that do not result in an inpatient admission.
