

# 2025 Home Delivery 3-Month Supply List

This is not an all-inclusive list of long-term medications, and this list is subject to change. Not all the medications listed are covered by all prescription plans; check your benefit materials and formulary for the specific medications covered and the copays for your prescription plan. For specific questions about your coverage, please call the phone number printed on your prescription card.

\* Indicates a medication that may be excluded from the National Preferred Formulary

For the patient: FDA-approved generic medications meet strict standards and contain the same active ingredients as their corresponding brand-name medications, although they may have a different appearance.

For the prescriber: Please prescribe preferred products and allow generic substitutions when medically appropriate.

## KEY

Brand-name medications are listed in CAPITAL letters. Generic medications are listed in lowercase letters.
